

## **Presidents Trophy – 2010 Results**

The weather went windy, cold, windy and cold, windy, cold and then sunny and warm for the prize giving. Great. I don't remember recalling anybody saying they had a fantastic shoot, which is where we'll leave it.

The table of all results are below, Charles won the pure score recurve by 10 points from Wayne and Alf walked away with the longbow.

George won the recurve handicap with a calculated handicap based on his first 2 dozen arrows and Bill won the longbow handicap.
